\$1 million for speedy recovery

Teen centre gets major support

The 12th annual Alberta Adolescent Recovery Centre (AARC) Benefit Miracle Gala was miraculous indeed.

Since AARC began, more than 400 teens and their families have been inspired to live in recovery.

Today, more than 80% of AARC's graduates are substance free, in school or working and reunited with their families.

And many AARC graduates and their families were among the 890 guests in attendance at the gala.

That more than \$1 million was raised at the SRO event this night is a shining example of the support AARC enjoys from its legions of fans.

Kudos to all involved on the success of the event, especially presenting sponsor Remington Development Corporation.

Highlights of the evening were numerous, including a marvellous address from AARC board chair Ann McCaig and heartfelt addresses from AARC grad-

uate Barry Cameron and his father Don Cameron.

Guests in attendance this night included: Alberta Health Minister Ron Liepert and his wife Linda; Jeff and Marilyn McCaig; Bobby Libin; Eva Friesen; Dave and Lynda Rutherford; Betty Ann Smith; Brian and Stephanie Felesky; Randy and Donna Remington; MLA Jonathon Denis;

Deputy Solicitor General Brad Pickering; AARC's Dr. Dean Vause and his wife Joanne; CBE's Carol Bazinet; Jane McCaig and Rich Waller; Roxanne McCaig and Mark Bartko; Willie Desjardins, GM and head coach Medicine Hat Tigers; Jim Peplinski; Theo Fleury; Corus Radio's Garry McKenzie; Richard and Janet O'Farrell; WinSport's Guy Huntingford; John and Karen Sherbut; Calgary Health Trust's Tom Dodd; Ron and Jan Brenneman; Cheryl Cameron; and auctioneer extraordinaire Danny Hooper.
